

Brush & Mop

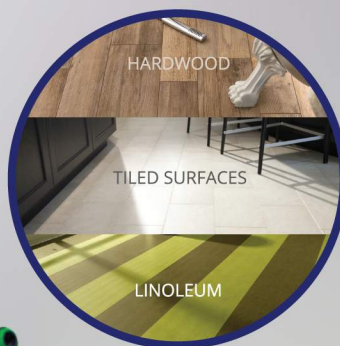

Brush & Mop

One Solution For All Your Floors & Surfaces!

Brush & Mop (patent #8,719,990) is your ultimate eco-friendly, multi-purpose cleaning tool. It combines a thick, absorbent double-sided microfiber pad and non-scratch brush for efficient mopping, scrubbing sweeping and dusting.

Quality

Industrial Strength Tool
Pad lasts over 1000 washes
Lightweight aluminium handle
Limited lifetime warranty

Ergonomic Design

We care about your comfort. Take the work out of cleaning your floors and surfaces to finish the job faster.

Value

Multiple tools in one:
Dust mop
Broom
Grout brush
Sponge mop
Double sided reuseable microfiber pad

Cleaning Redefined

The heavy-duty angled brushes clean hard to reach areas such as grout, edges, corners and stuck-on messes.

Brush & Mop also swivels to sweep up dirt, dust and debris.

Convenience

EZ-to store
Use WET or DRY
Choose your own cleaning solution or go green and clean with just water from your faucet and the power of microfiber.
